Dick's Market Garden CSA

Special offer for Devens businesses – Seasonal Produce Delivery Option from Dick's Market Garden!

Pre-ordered bags of locally-grown seasonal produce may be delivered to your workplace every two weeks from June-October.

Costs? The pre-ordered, overflowing bag of farm-grown, in-season produce is **\$40 each** (valued at \$45-60). See below for more details. Minimum of 20 orders required for free workplace delivery, otherwise individuals can pick up pre-ordered bags at the Devens Farmers Market (at the corner of Elm and Jackson Streets).

"Employees look forward to the bags every other week. It is a big morale boost." -Michael Green, Operations Manager of Devens Recycling

2024 Dates:

- June 25
- July 9 and 23
- August 6 and 20
- September 3 and 17
- October 1 and 15

Why participate? Healthy eating is an important part of our overall public health campaign in Devens. Healthy employees = happy and more productive employees! CSA's support local farms and help reduce "food miles travelled" (the distance produce travels from farm to table) and help support Devens Climate Action Plan goals of reducing greenhouse gas emissions. You are supporting a local farm that is less than 15 minutes from Devens in Lunenburg.

Additional Benefits: Some health insurance companies offer CSA support as part of their wellness program, so your insurance may cover some of the CSA cost! Qualifying individuals and families can also use SNAP, HIP and WIC benefits for better access to healthy food options.

- Each bag will contain a mix of in-season fruits and vegetables, including contents such as:
- July:** corn, peaches, nectarines, plums, cauliflower, peppers, tomatoes, celery, eggplant, potatoes, cucumbers, garlic and onions
 - August:** beets, carrots, cauliflower, summer squash, zucchini, peaches, plums, peppers, eggplant, cucumbers, and potatoes
 - Early September:** potatoes, cucumbers, celery, onion, corn, garlic, tomatoes, zucchini, apples, peaches, broccoli, pepper, eggplant
 - Early October:** pears, broccoli, bok choy, potatoes, apples, peaches, nectarines, garlic, peppers and carrots, winter squash
