September is Bay State Bike Month in Massachusetts! Join us to celebrate and raise awareness about cycling for transportation, fitness, and fun.

What is a bike rodeo? It's an event where kids are taught bicycle safety skills and are encouraged to get excited about riding. We welcome kids of all ages - that includes the young at heart!

Join us to –

- Learn how to fit a helmet properly
- Understand basic hand signals
- Decorate your bicycle
- Parade around Rogers Field
- Enjoy fun games
